Garden Grove High Schools Homecoming was held on October 31. After many weeks of planning and organizing, each class competed in different projects and competitions. The winning class would be determined on which class would have the most points. As a result, the winning class of Homecoming was the Senior Class. Some of the projects the Seniors conducted were a sale of Mums, a newspaper drive, an aluminum can drive, and as a service project they cleaned desks in the classrooms. The Seniors also sold Helen Grace candybars as the other classes did too. On the night of the game, the Argos played Los Amigos. The football team stomped on the Lobos with a victory of 23-7. Way to go, Argos!

The background of the page is black, featuring a large, abstract geometric pattern composed of thick white lines. These lines form a grid-like structure with four large rectangular areas, each defined by a double-line border. The lines are slightly irregular, giving the design a hand-drawn or artistic feel.

Robbie, oww baby!

From being in love with you & being
your best friends girlfriend in 8th grade.
I've got to know you real good. You're
one of the sweetest guys I know so
thank for being my & for listening to me
whine about R.O. - Thank again.

I'll always remember Disneyland after
8th grade grad. and seeing Rocky Horror
then T.P.ing S.B.'s house? I hope that
we can continue being friends cuz you're
such a great one ... except "you never
call me up" 534-2631 (hint, hint)

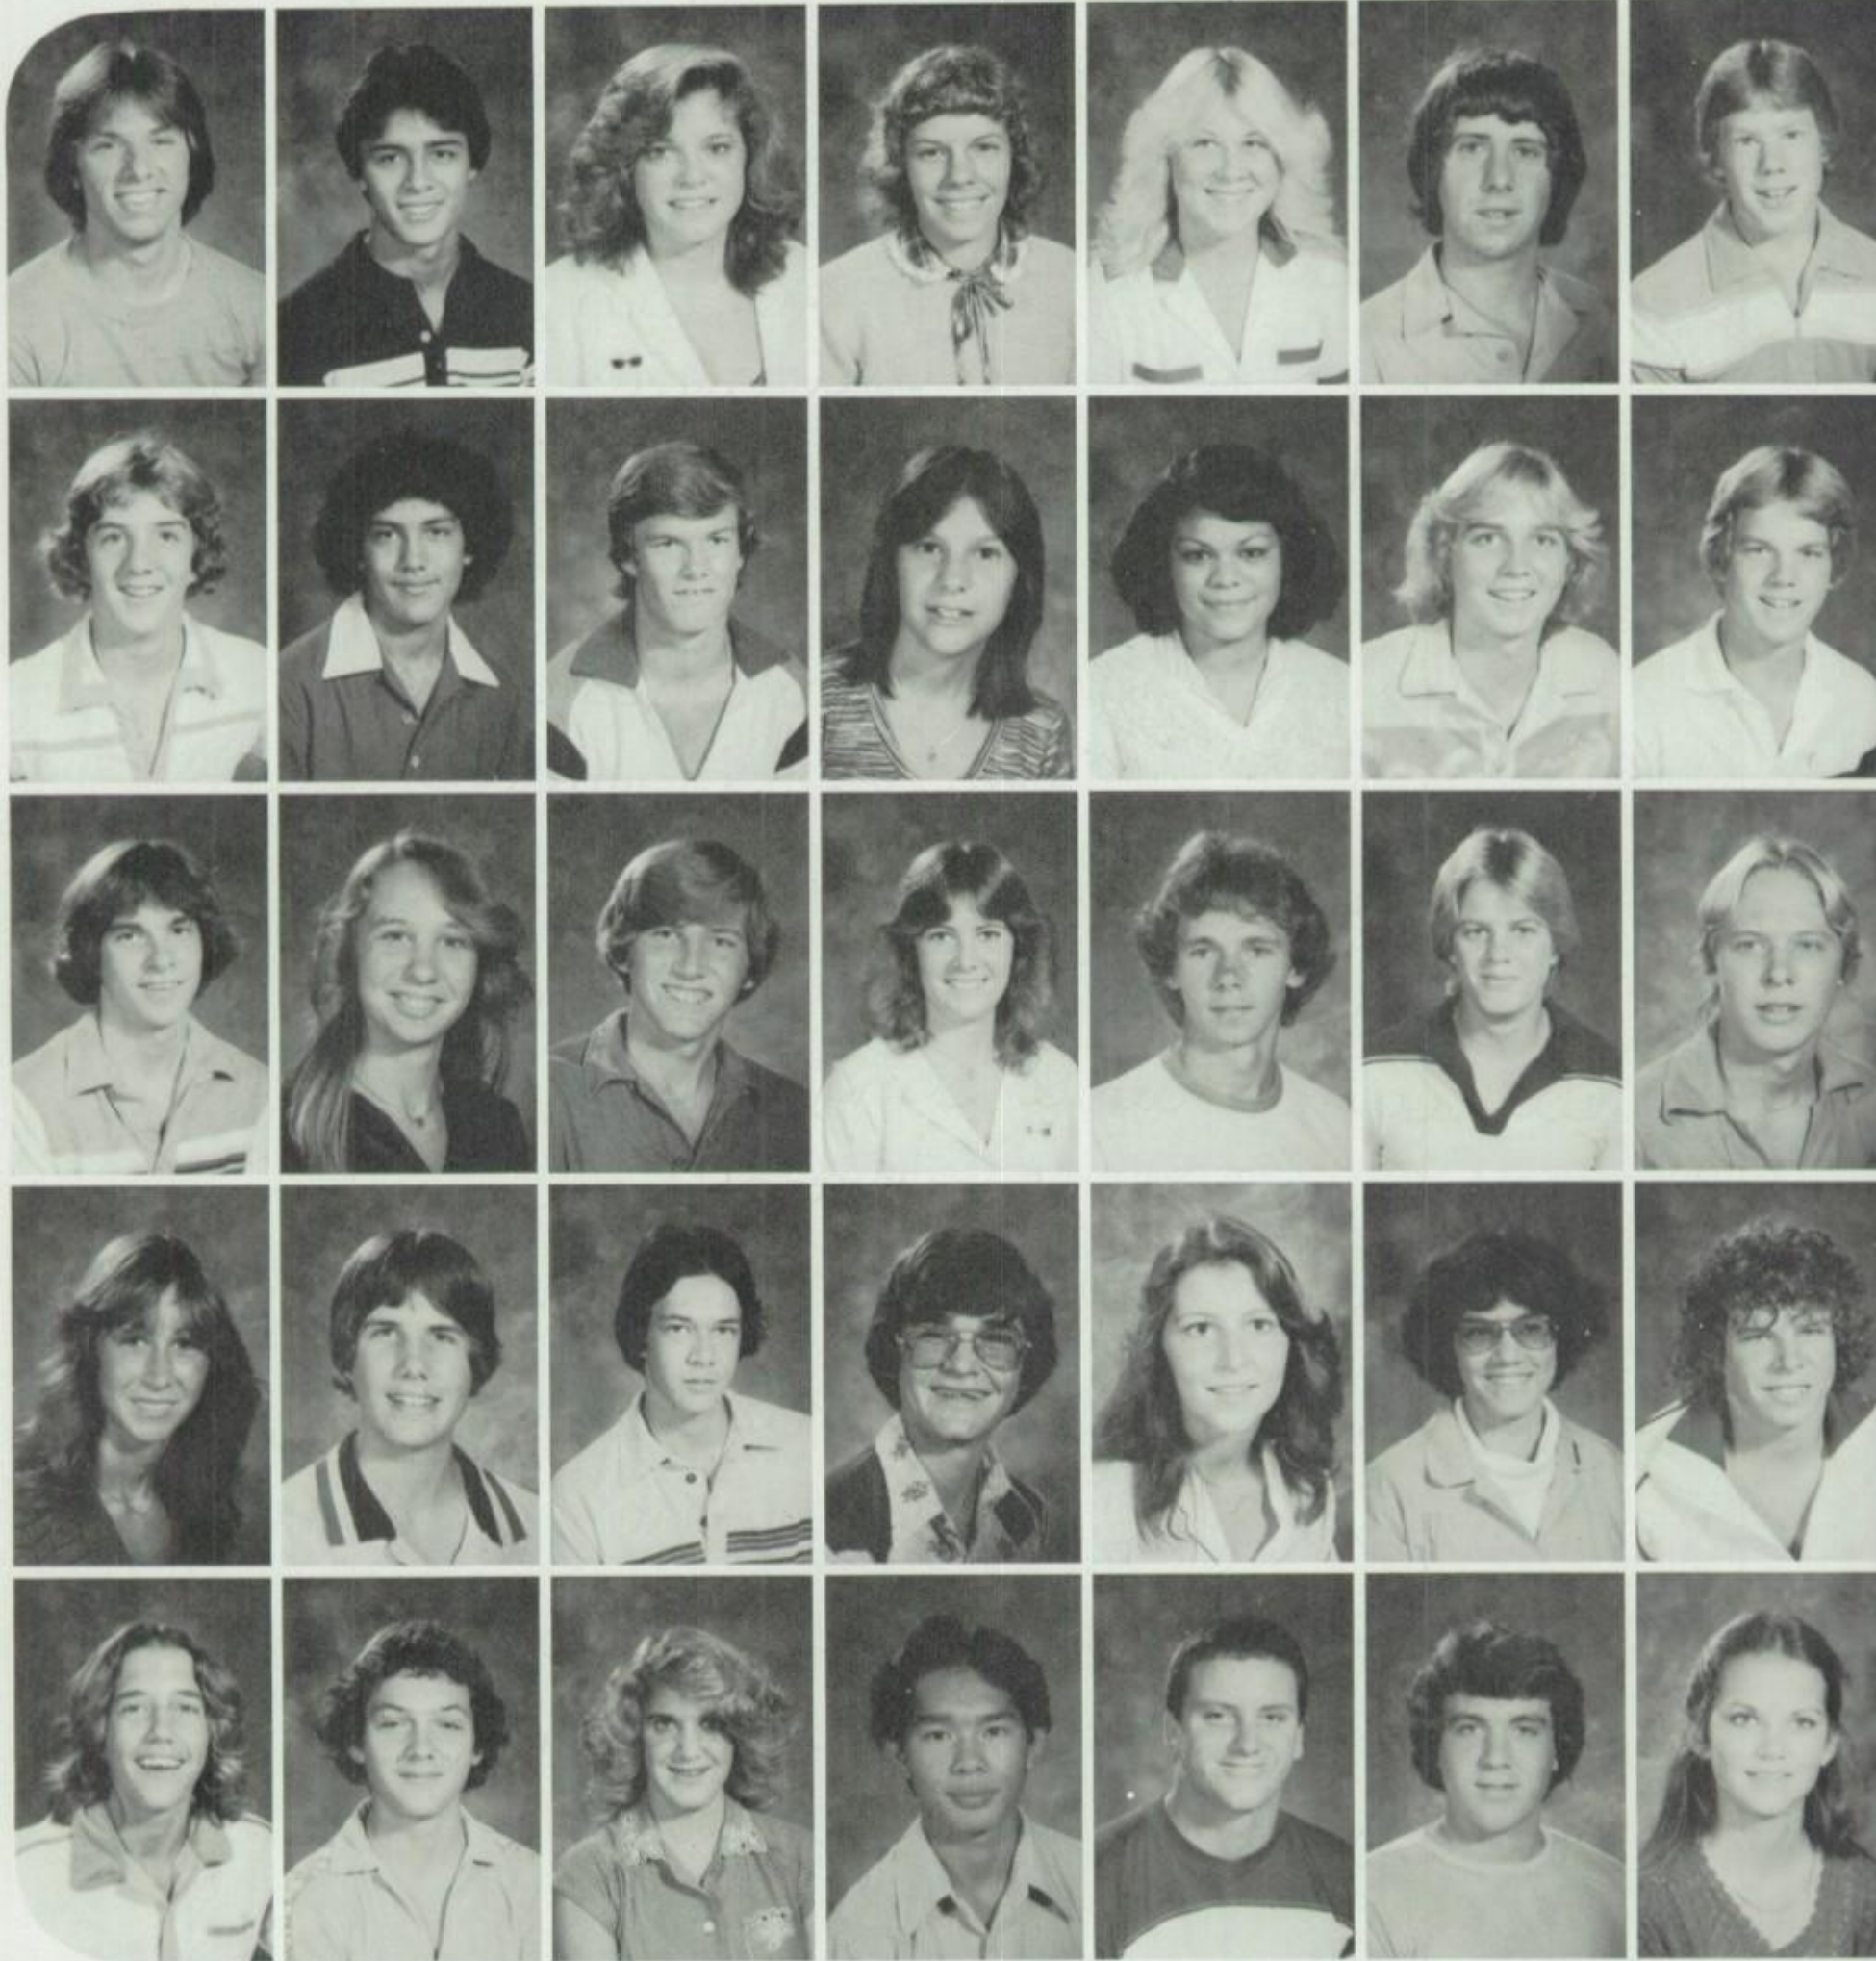

Let's go to the beach a couple of times
this summer, it would be such an honor
to be seen with you - you're soo good-lookin'
but I might get too excited when you're
wearing your 'swim trunks'

Take Care & God bless!!

Love ya lots.

Hello Robbi:

Boy how does time fly. It has been two years since I have known you and more to come. I am so glad to be your friend. Maybe not as you would want it. I have had a lot of fun bugging you in all ways. I know that things didn't work out between us (Because of me and only me) I sometimes wonder if it would have. But who knows we have two more years left in school and a lot of dates to see. One of these days maybe I will realize what I have missed and who knows right. You are such a sweet heart and a great friend. Boy what a pull I have been alright? Well Robbie I sure hope that you see my side too, Because I have been in love with a couple of guys and I have to find out why. But Robbie I had a great time going out with you anyways. (You a great Kisser) Well Robbie I know I owe you a giant letter but you owe me one too? Over the summer I would like to go to the beach or something together O.K. if you have not remembered my phone number is 638-4246. I haven't forgotten you. Good luck with the girls I am so sorry But hey I Love ya forever.
